

Town of Springerville
Springerville Municipal Airport Advisory Committee
Regular Meeting

Time: 5:00pm
Date: Friday, November 9, 2012
Place: Springerville Municipal Airport

MINUTES

I. The meeting was called to order at 5:10 pm by Dave Kalinowski

Attendees: Candy Cook, Donald "Mac" Graham, Dave Kalinowski, Mary Nedrow, Steve West and Sean Kienle

II. OPEN PUBLIC DISCUSSION: None

III. OLD BUSINESS

Approval of Minutes from 10/19/12 meeting

Candy moved to approve the minutes as written. Dave seconded the motion and the motion passed with unanimous consent of the Committee.

Airport Improvement Projects

Sean and Steve gave a brief update of the status of the Terminal Building / Hangar relocation project that included areas completed and in progress. Sean noted that the contractor is keeping with schedule. Steve gave a brief update of the status of the Runway 3/21 Rehabilitation project and noted that the project will not proceed until after litigation.

Recent / Current Fuel Sales

Sean reported the following recent and current fuel sales:

October 2012: \$21,016.18 (4,341.64 gallons)

November 2012 TD: \$6,938.85 (1,308.87 gallons)

Sean noted that October fuel sales were up 34% over last October.

Recent / Current Traffic

Sean reported the following recent and current traffic operations:

October 2012: 252 Total (22 Local, 160 Itinerant, 52 Air Taxi, 18 Military)

November 2012 TD: 72 Total (8 Local, 44 Itinerant, 12 Air Taxi, 8 Military)

Sean noted that October traffic was up 53% over last October

IV. NEW BUSINESS

Hangar Tenant Status

Mac Graham presented the idea of a "bid-down" auction process to lease the new hangar space and asked that the idea be added as an action item to the next agenda.

2013 Fourth of July Parade Fly-Over

There was discussion among the committee about the possibility of a military and/or civilian fly-over at the 2013 Fourth of July Parade. The Town is supportive of the idea and Mac will head up the planning.

PAPI/AWOS

Sean informed the Committee that the PAPI systems have all been repaired and are operational. Sean will update the Airport Master Record to reflect this. The National Airspace Data Interchange Network (NADIN) has been installed to the AWOS and will begin transmitting data in approximately 2 months. The Airport has applied with the FAA for a new Airport Identifier in order to make the transmissions to National Weather Service.

Commercial Landing/Airport Usage Fees

Sean asked the Committee to begin consideration of an increase in Commercial Landing/Airport Usage Fees after discussion with numerous commercial/charter pilots who have stated that the Airport does not charge enough.

New Airport Logo

The Committee discussed the design of a new Airport logo and expressed the desire to include the 7th & 8th grade Aviation classes and the general public in the design through submissions to a contest.

V. ROUND TABLE DISCUSSION

Candy Cook: Candy stated that she would like the EAA Chapter to enforce/require parental attendance at all Young Eagles events.

VI. ADJOURNMENT

Dave moved to adjourn at 7:14 pm. Candy seconded the motion and the motion passed with unanimous consent of the Committee.
